

To My Year 7s

I want to write this letter to mark a very significant and special day for you, your final day in St. Brigid's. I want to take the time to recognise and reflect on the wonderful achievements you have made. In the time I have had the pleasure of teaching you I have watched you grow and flourish in your own unique way, yet your journey goes beyond this. You have reached many milestones in St. Brigid's and I have no doubt you will go on to have even more success. You will be greatly missed, not only amongst the Class B crew, but throughout the school and I urge you to *always BE YOU!!* Never feel you have to follow a crowd or be steered in the wrong direction. Be strong enough to follow your heart. Remember that it is **OK** to make a few little mistakes along the way because *a person who never made any mistakes never tried anything new.*

I am so proud of you and I am sure your families are too. All I wish for you is health, happiness and success. Now go off and enjoy this next stage of school life and remember if you believe in yourself anything is possible.

Good Luck and Take care
Mrs Diamond xx
