

A Letter for Primary 2

Dear Primary 2,

I hope you are all enjoying the beautiful sunshine, playing lots outside and having so much fun! The main thing is that you are all happy!

I hope that you are all keeping well and safe at home. I know you are missing each other loads and I just want you to know that even though you can't see each other right now you will all be back together again in the near future getting the green and yellow uniform back on- ready for that 9 o'clock start in St Brigid's! For those of you who just love that extra snooze in the morning; well I'm hoping you're all getting a sneaky little 'lie in' with your family and making the absolute most of it!

I look forward to hearing all about your antics at home. Perhaps some of you have been learning how to bake, garden or maybe you've mastered a new dance move, started a new hobby or scored plenty of goals since I last saw you all. I've heard of lovely achievements from a few households! I also know you've some schoolwork thrown in too for good measure! You should be very proud of yourselves!

I've loved hearing updates from you and your parents. I've been amazed at the updates I've seen. Thank you for them!

I look forward to seeing you all soon and remember that even though we haven't been sharing our classroom 'Monday-Friday' for a while now it doesn't mean I haven't been thinking about each one of you. I am missing you all!

A big high five to all my little superstars 😊

Keep smiling, laughing and playing the days away!

Love from,

Mrs McShannock
