

YEAR 6 & 7 MATHS AND ENGLISH REMOTE LEARNING SITE

The Transfer Test may well take place when schools re-open and parents will want their child to be well prepared.

Of interest to your parents will be our remote learning site which is ideal for home tutoring all Transfer Test subjects.

The site covers maths and English (including comprehension) and is suitable for both AQE and GL Transfer Tests. All the questions are unique and not contained in any of our printed titles.

At this difficult time for parents and schools we are giving schools/parents practical and affordable help via our remote learning site.

We have reduced the price to just **£10.00** per child for almost **9 months access** (usually £49.99 per year.) The subscription is valid from registration date until 31st December 2020.

Many schools are letting parents know about this special offer by sharing this very popular Facebook post which has been shared over 100 times.

Below the navigation bar is a large banner image of students in a classroom. To the left of the banner is a green sidebar with a search bar and a 'Log In' button. Below the banner, there are four promotional boxes: '11 plus subjects' (listing 11 plus, 11 plus Reading, 11 plus Writing, 11 plus Maths, and 11 plus English), 'Register for free sample tests', 'View your feedback reports', and 'During this difficult time we are only charging 9 months for £10.00'.
