TASK 2: Write about the things you are looking forward to most about moving on to your new school. Think about: subjects, friends, teachers, trips, travelling, etc.

Tell me what you are most anxious about also.

TASK 3: Imagine you are interviewing a Year 8 pupil who has just finished their first year at your new school. Think up 10 questions you would like to ask them. Keep your questions open-ended, so try to avoid questions that give only a YES or NO answer.
