- Any adults

Lay out all your budgeting – what you have spent and on what and what you plan to do with any remaining funds.

Remember the key information required on an invitation:

- Where you are going
- When – date and times
- Who is going
- How to get there
- What you plan to do at the venue
- Any particular dress code
- Do you need to bring anything
- Option for RSVP

TASK 3: For your leavers' party you are asked to **provide a playlist** of suitable songs. Create this list of your chosen songs and explain your reasons for choosing them for your end of primary school 'Leavers' Party'.
