

TOPIC Term 3: Are You Wise?

Moneywise

TASK: Create a shopping list and the total bill to prepare a particular meal. Compare any two of the following: Tesco, Sainsbury's, SuperValu, Asda and Lidl.

Choose one of these family meals to prepare:

- Spaghetti Bolognese
- Sausage, beans and mash
- Macaroni cheese
- Pizza and chips
- Chicken curry and rice

- 1) Choose the first of the two supermarkets you are comparing, and research prices of ingredients for your meal.
- 2) Make a list of the ingredients you will need (you will find the recipe online if you don't know it already) and the quantity of each ingredient needed.
- 3) Find the prices of each item you need for your meal and write it down.
- 4) Work out the total cost of the meal for that particular supermarket.
- 5) Now do the same for the other supermarket you want to compare it against.
- 6) You should have 2 lists and 2 total bills, one for each supermarket.
- 7) Which is the cheapest? Most expensive? By how much?
(You could even have a go at cooking dinner tonight!!)
