

## Dare to Dream

There is inside you  
all of the potential to be whatever  
you want to be  
all of the energy to do whatever  
you want to do.

Imagine yourself as you would like to be,  
doing what you want to do,  
and each day, take one step  
towards your dream.

And though at times it may seem too  
difficult to continue,  
hold on to your dream.

One morning you will awake to find  
that you are the person  
you dreamed of  
doing what you wanted to do  
simply because you had the courage  
to believe in your potential  
and to hold on to your dream.

Here is a lovely poem I found which made me smile and I thought of all you P7s when I read it.

TASK 1: Read the poem, illustrate it appropriately.

TASK 2: Write down what you dream about the future:

- What do you want to be
- Places you want to go
- People you want meet
- The type of person you want to be
- What you want people to remember you for the most

You could write it as a poem if you prefer. Can't wait to read all about your dreams of the future!
