

St Brigid's P.S ICT End of Key Stage Results 2011-2012

As a school we are immensely proud of our ICT achievements at the end of Key Stage 1 (Year 4) and Key Stage 2 (Year 7). The table below displays our results for 2011-2012. The table illustrates that children at St. Brigid's are working above the Northern Ireland average standards for ICT.

ICT key Stage 1		
	%	%
Level	St Brigid's	N. Ireland
1	10.0	9.2
2	90.0	88.1
3		2.7
ICT key Stage 2		
	%	%
Level	St Brigid's	N. Ireland
1		0.3
2		2.1
3	7.1	19.1
4	92.9	78.3
5		0.14

ICT Workshop Parents' Guide

ICT At St. Brigid's P.S

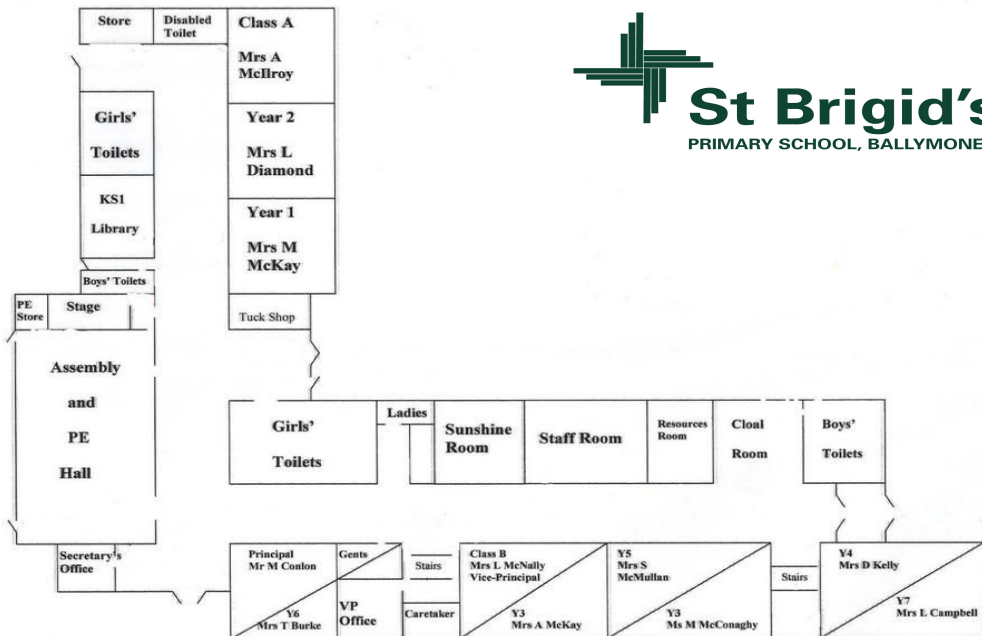

In St. Brigid's we strive to ensure that ICT is planned and delivered as an integral part of every curriculum area to support and enrich children's learning. We believe that ICT should be used to motivate and enthuse children and develop positive attitudes to learning.

During your tour of the school, you will experience first hand some of the cross-curricular opportunities provided for your children on a daily basis. These opportunities enable pupils to develop a wide range of skills and competencies commensurate with their age and ability as they progress from Year 1 to Year 7. These activities include:

- ❖ Moving Images & Animation
- ❖ Desk Top Publishing
- ❖ Exploring Programming
- ❖ Online Collaboration
- ❖ Presentation
- ❖ Researching
- ❖ Spreadsheets
- ❖ Working with Images & Sound
- ❖ Working with Text
- ❖ Web Design

Our hope is that this practical insight into your child's ICT work will provide you with a greater understanding of what your child is learning in school and how you can help provide support for your child at home.

Finding your way around

Time	Class	Activity	Support/Notes
1:00pm - 1:20pm	Class A	Exploring Programming Using Beebot	Presentation by Mrs A. McKay (Assembly Hall)
