

Social networks, apps and games

We've reviewed the most popular social networks, apps and games your kids are using.

<https://www.net-aware.org.uk>

Any App that you see your child starting to use you can receive advice and information about it on this website. It provides an expert review of the risks of the App to your child and how to switch on Privacy settings and Parent Controls etc.

Just type the name of the App into the search bar on the Site and it will provide you with very useful tips and advice.

Be vigilant. Keep your children safe.
